Try using Gideon! This app is the only app that can connect to multiple smart devices from multiple brands, which allows you to activate your devices according to a set program such as 'going out', 'good night', and you can also create a custom program for when going on holiday. From researching the best deal, to keeping the home secure while you're away (and all the stress in-between), there are a lot of things to take care of before you can pack your bags and head for the airport. 2. With Babel, you can do just this. Wouldn't it be great if you could check for sure, without going all the way home? Get inspiration, ideas and advice wherever you are! Follow us on Facebook: House Beautiful UK | Pinterest: House Beautiful UK | Twitter: @HB | Instagram: @housebeautifuluk This content is created and maintained by a third party, and imported onto this page to help users provide their email addresses. The Diwali Festival runs for five consecutive days and peaks around the third night. It is usually held in November. TVGuide - To remotely record your favourite TV shows When you're off on your travels, you won't be thinking about the next episode of Foidark. You'll be able to enjoy many of the same celebrations if you happen to be traveling in places such as Malaysia and Singapore. Over a million worshippers gather at the Batu Caves just outside of Kuala Lumpur, Malaysia. Heavy, elaborate shrines known as kavadis are attached to worshippers with hooks and skewers, then carried through the procession. Users can then turn insurance on and off with a simple swipe within the app. Whether you want a breakdown of Game of Thrones from the experts, or want the latest style tips, Acast also recommends shows tailored to your taste and allows you to download podcasts for offline listening. 4. South Asia is the most populous and most densely populated place in the world. Content from Acast also includes exciting 'rich media' from the hosts, to make your listening more fun and interactive. 15, 1947. Accommodation in Pushkar becomes very expensive around the time of the fair. Republic Day is celebrated in India as a national holiday with business closures, parades, military displays, and patriotic activities. Large Indian festivals and national holidays are among the biggest festivals in Asia. Although India only observes three official national holidays (Gandhi's Birthday, National Day, and Republic Day), someone always seems to be celebrating something throughout the year! 01 of 07 gawrav / Getty Images Mahatma Gandhi is still very loved in India; his image still appears on the Indian rupee. 26, 1950. HolidayPirates - To score the best deal if you're looking for inspiration for your next holiday destination, and also for the very best deals, look no further than HolidayPirates. Plenty of lanterns and fireworks light up the festival. You will find podcasts on every topic: sports, comedy, travel, current affairs, to name a few. Plan accordingly; book transportation well in advance, particularly train travel. Acast - To keep you entertained on the plane or the beach Whether you need something to entertain you on a long-haul flight, or just want some informative and interesting listening for the beach, Acast has a huge selection of content to choose from. Trov - To insure your valuables While you may be covered for certain things by your holiday insurance, often specific items or valuables won't be protected. 02 of 07 Dinodia Photo / Getty Images Not to be confused with India's Independence Day, Republic Day celebrates the adoption of a new Indian constitution on Jan. Using Trov, you can quickly insure common electronic items, offering protection for laptops, mobile phones and cameras. Well, to help make your prep that little bit easier, we've rounded up the best apps to download before you book your head on your travels! 1. But once you return you'll be desperate to find out what happened in the latest instalment. Indian festivals and holidays are often loud, intense, colorful, and chaotic—all at the same time. You can also make use of their Travel Alert feature, and you can set up alerts that will come direct to your WhatsApp if a deal pops up that matches your criteria. 3. The carnival-like atmosphere is festive and colorful. Expect major transportation problems throughout Rajasthan before and after the event. Although the festival is mainly about giving offerings such as pots of milk, some participants choose to enter a trance-like state and pierce their faces and bodies in tribute. Thaipusam takes place in January or February and is celebrated throughout India, Sri Lanka, and places with a large Tamil community. You may be able to find more information about this and similar content at piano.io One easy way to do this is via an app like Trov. A recent survey by Babel revealed that 38 per cent of Brits believe courtesies are the most important thing to learn when going abroad, and whether you are a complete beginner or more advanced, the app can teach you the phrases you want to know through their unique courses, created by Babel's didactics team and over 150 linguists and teachers. India has so many religious holidays that they're sometimes considered too much of a good thing that obstructs business. Through the app, you can practice your linguistic skills and work on your accent from the very first lesson, teaching you language that can easily be applied to real life situations and making you feel at home no matter where you may be. 03 of 07 David Freund / Getty Images Another of India's patriotic national holidays, Independence Day celebrates India's hard-won independence from British rule on Aug. They can slow transportation to a crawl as multitudes of people take time from work to celebrate and visit family. Babel - To learn the local lingo One of the best ways to navigate your way around a new city, and discover the local gems, is to speak the native lingo. Peaceful tributes and prayer services are held to honor the "Father of the Nation," and a large crowd gathers at Raj Ghat, Gandhi's memorial in New Delhi. Each day the team uses a combination of advanced algorithms and manual searches to scour for the best travel deals available online before publishing the results. Holi is chaotic, colorful, and unforgettable, but don't wear anything that you care about! Holi celebrates the end of winter and drives away bad spirits that could cause ill health before the upcoming spring harvest. Ghee lanterns are burned, and colorful lights adorn buildings to celebrate the triumph of good over evil. In some ways, Diwali could be called the Indian version of Chinese New Year; the festival is about family, starting over, food, and keeping bad fortune at bay. 04 of 07 India Photography / Getty Images Holi, the Hindu Festival of Colors, is a frenetic, messy affair with people dancing in the streets while throwing water and colored dye powders. Gandhi's birthday is one of India's official national holidays and is observed in every state across the subcontinent on October 2. Although no alcohol is sold on Indian Republic Day, plenty of people celebrate the time away from work with small gatherings and fairs. Traveling in India during normal circumstances is already exciting, but you'll certainly have no shortage of photo opportunities or stories to share after witnessing some of these grand celebrations! Many of the major festivals in India are celebrated throughout Southeast Asia and other parts of the world where large Indian or Hindu communities exist. From luxury holidays to weekend city breaks, HolidayPirates has it covered. In case you forget to set the Sky Box for any of your favourite shows, perhaps you forgot that the next season of your favourite series was about to start, you can use the TV Guide app to set your box remotely! Simply download the app, connect it to your TV provider, login, and start recording! Available on iOS and Android. We all know that holiday prep is like a job in itself. Dates change, but Diwali is usually held between October and December and is celebrated throughout India, including Rajasthan, Singapore, Kuala Lumpur, Penang, and any place with a large Indian population 06 of 07 Matt Brandon / Getty Images Thaipusam is a Hindu festival celebrated by Tamil communities to honor Lord Murugan, the god of war. Continue to 5 of 7 below. 07 of 07 Cultura Exclusive/Michael Truelove / Getty Images Don't laugh: the Pushkar Camel Fair is an annual event that attracts a massive number of tourists and locals who come to appreciate the more than 50,000 camels! Camel races, polo, competitions, vendors, beauty pageants, and an array of events draw over 200,000 people each year to tiny Pushkar in India's desert state of Rajasthan. 5. 6. With the app set to any one of the seven display languages, it allows you to learn 14 different languages. Holi is also celebrated in Singapore, Malaysia, and other countries with large Indian populations. 05 of 07 Subir Basak / Getty Images Also spelled as Deepavali or Divali, the Hindu Festival of Lights is a spectacular sight. Parades, pageants, and plenty of flag-waving create a sense of pride at cultural events throughout the country; however, Delhi is the epicenter. Gideon - To control the smart devices in your home As we often do things in the home on auto-pilot, we've all experienced that niggling feeling when you can't remember whether or not you switched something off, and if you're en-route to the airport, you can't rush back to check and risk missing your flight. Available on iOS and Android. TripSavvy / Vin Ganapathy India's vibrant mix of cultures and religions greatly increase the chances that you'll be pleasantly surprised by an unexpected celebration while traveling. Whether you're looking for flights, hotels, or both, the app has the best deals for every budget. Before you leave, it's a good idea to get these belongings insured.
